**Re: Cortese, et al. v. Skanska Koch, Inc., et al.
Civil Action No. 1:20-cv-01632 (LJL)**

Dear Judge Parker:

This firm represents plaintiff Anthony Cortese, James Kearney, Jeffrey Brooks, Daniel Julio, Mark Leyble, and John Siciliano, both individually and behalf of all similarly situated individuals (collectively, "Plaintiffs"). We write with the consent of all parties to request an adjournment of the settlement conference currently scheduled for November 11, 2020.

Pursuant to the Court's Order, Plaintiffs filed a Third Amended Complaint on October 23, 2020, adding five (5) named plaintiffs. As a result of this recent filing, and the anticipated filing of motions to dismiss and/or for conditional collective action certification, the parties require additional time to produce limited discovery relevant to the named Plaintiffs' damages in order to assess their respective settlement positions.

Due to the fact that the parties have agreed to a settlement conference in an effort to resolve these individual claims prior to a collective or class action being certified, we will not be in a position to do so until after there has been sufficient time to evaluate each of the Plaintiffs' claims and damages. Accordingly, we respectfully request that the settlement conference be adjourned until at least January 15, 2021 to provide the parties an opportunity to finalize the pleadings and gather information relevant to the claims of the named Plaintiffs so that we are in a better position to discuss settlement of the individual claims.
